BATTLE TRAITS

Lumineth Realm-lords armies can use the following abilities:

Once Per Battle Round (Army), Start of Battle Round

DEPICT RUNE: *The Lumineth magically inscribe runes of power into the lands themselves to enhance their armies and heal the realms of Chaos corruption.*

Effect: Pick 1 of the following runes to depict on your **battle scripture**. The effect and conditional **enhanced** effects of that rune last for the rest of the battle round. Each rune remains on your **battle scripture** for the rest of the battle or until it is removed or replaced by another ability.

Varinor, Rune of Strength: Pick up to 2 friendly **LUMINETH REALM-LORDS** units for each instance of this rune depicted on your **battle scripture** to be the targets. Add 1 to run rolls and charge rolls for each target. In addition, the following **enhanced** effects apply:

- While **Ydriliqi, Rune of the River** is depicted on your **battle scripture**, add 1 to wound rolls for each target's combat attacks.
- While **Oreali, Rune of the Wind** is depicted on your **battle scripture**, each target can use **SHOOT** and/or **CHARGE** abilities even if it used a **RETREAT** ability in the same turn.

Alaithi, Rune of the Mountain: Pick up to 2 friendly **LUMINETH REALM-LORDS** units for each instance of this rune depicted on your **battle scripture** to be the targets. Each target has **WARD** (5+). In addition, the following **enhanced** effects apply:

- While **Varinor, Rune of Strength** is depicted on your **battle scripture**, the targets' melee weapons have Anti-charge (+1 Rend).
- While **Ydriliqi, Rune of the River** is depicted on your **battle scripture**, subtract 1 from wound rolls for attacks made by enemy units while they are in combat with any of the targets.

Ydriliqi, Rune of the River: Pick up to 2 friendly **LUMINETH REALM-LORDS** units for each instance of this rune depicted on your **battle scripture** to be the targets. Subtract 2 from charge rolls for enemy units while they are within 12" of any of the targets. In addition, the following **enhanced** effects apply:

- While **Alaithi, Rune of the Mountain** is depicted on your **battle scripture**, ignore negative modifiers to hit rolls and wound rolls for attacks made by the targets.
- If **Oreali, Rune of the Wind** is depicted on your **battle scripture**, each target can immediately move up to 3". They can pass through the combat ranges of enemy units and can end that move in combat.

Oreali, Rune of the Wind: Pick up to 2 friendly **LUMINETH REALM-LORDS** units for each instance of this rune depicted on your **battle scripture** to be the targets. Subtract 1 from hit rolls for attacks made by enemy units while they are in combat with any of the targets. In addition, the following **enhanced** effects apply:

- While **Varinor, Rune of Strength** is depicted on your **battle scripture**, add 4" to each target's Move characteristic.
- While **Alaithi, Rune of the Mountain** is depicted on your **battle scripture**, add 5 to each target's control score.

Thalari, Rune of the Zenith: Add 2 to casting rolls for friendly **LUMINETH REALM-LORDS** units. In addition, if you have 4 or more unique runes depicted on your **battle scripture**, add 4" to the Move characteristic of friendly **LUMINETH REALM-LORDS** units and friendly **LUMINETH REALM-LORDS** units' attacks score critical hits on unmodified hit rolls of 5+.

Designer's Note: We recommend noting the runes you have inscribed in each battle round on a piece of paper to keep track of which are currently depicted on your **battle scripture**. Feel free to note them by type (Strength, River, Mountain etc.), by initial (each has a different first letter) or, if you are feeling particularly adventurous, you can try your hand at aelven calligraphy and learn to draw each rune!

BATTLE FORMATIONS

You can pick 1 of the following battle formations for a Lumineth Realm-lords army. Each battle formation grants a different ability you can use in the battle.

WARHOST OF DUALITY

 Passive

STRIKE AS ONE: Symmetry is fundamental to aelven nature and culture. These warriors exemplify the concept, fighting in awe-inspiring synchrony.

Effect: When players are alternating picking units to use a FIGHT ability, when it is your turn to pick a unit, you can pick 2 friendly LUMINETH REALM-LORDS units instead of 1. Resolve the second FIGHT ability immediately after the first.

AELEMENTOR GUARDIANS

 Once Per Turn (Army), Any Hero Phase

ANCIENT SPIRITS: The aelementor spirits that accompany this host are venerable indeed. They have weathered the march of aeons; they will not yield to the petty aggression of short-lived mortals.

Declare: Pick a friendly LUMINETH REALM-LORDS MONSTER to be the target.

Effect: For the rest of the turn, ignore the first damage point that would be allocated to each visible friendly LUMINETH REALM-LORDS unit in each phase while it is wholly within 12" of the target.

PILGRIMS OF HAIXIAH

 Passive

TRICK OF THE LIGHT: These Lumineth have journeyed to the far reaches of Hysh. The wild magic of that region has found purchase in them, occasionally surrounding them with prismatic distortions and mirages that confuse nearby foes as to their precise location.

Effect: Friendly LUMINETH REALM-LORDS units can use the 'Power Through' command even if they have not charged this turn.

SCINARI COUNCIL

 Passive

ARCANE FOCUS: The Scinari mages in this host have collectively dedicated their lives to studying the magics of the realms.

Effect: SPELL abilities from the Lore of Hysh or the Lore of the Awakened Realms used by friendly LUMINETH REALM-LORDS WIZARDS have the UNLIMITED keyword. However, you cannot pick the same unit to be the target of the same SPELL ability in the same turn.

HEROIC TRAITS

FACETS OF BRILLIANCE (HERO only)

Reaction: You declared the 'Redeploy' command for a visible friendly LUMINETH REALM-LORDS unit wholly within 12" of this unit

MASTERFUL TACTICIAN: This shrewd commander has a crystal-clear understanding of the flow of battle, knowing precisely when to direct their warriors to bolster a weak point in their line or exploit one in that of the enemy.

Effect: If you roll a 1-3 when determining the distance that unit can move, you can use a value of 4 instead.

Start of Battle Round

ACOLYTE OF THE RUNES: This aelf regularly meditates upon the aelven runic scripture. Over time, they have become particularly sensitive to the sigils' power.

Declare: Pick a friendly LUMINETH REALM-LORDS HERO wholly within 12" of this unit to be the target.

Effect: That HERO can be picked as an additional target the next time you use the 'Depict Rune' ability.

Deployment Phase

FLAWLESS COMMANDER: This aelf has dedicated their life to mastering battlefield manoeuvres. Infantry formations that march under their banner operate in perfect unison, swiftly making way for each other and allowing them to advance with awe-inspiring discipline.

Declare: Pick up to 3 visible friendly LUMINETH REALM-LORDS INFANTRY units wholly within 18" of this unit to be the targets.

Effect: Each target can use the 'Normal Move' ability as if it were your movement phase.

ARTEFACTS OF POWER

HEIRLOOMS OF HYSH (HERO only)

Passive

PHOENIX STONE: This ancient crystal, at once hot and cold to the touch, shatters just as the bearer's anima is about to flee their body, releasing swirling flames that reknit flesh rather than burn, granting the bearer a precious second chance to fulfil their destiny.

Effect: The first time this unit would be destroyed, before removing it from play, roll a dice. On a 3+, this unit is not destroyed and any remaining damage points inflicted on it have no effect. Then, Heal (D3) this unit.

Passive

SILVER WAND: This slender wand, unassuming in its delicate grace and simplicity, is covered with finely engraved, winding Lumineth runes. It is imbued with the quiet dignity of the one who crafted it, a power that can be channelled by the bearer to dispel wild outbursts of enemy magics and focus their own spellweaving.

Effect: If this unit is not a WIZARD, it can use the 'Unbind' ability as if it had WIZARD (1). Otherwise, add 1 to casting rolls for this unit.

Your Movement Phase

WAYSTONE: This small sliver of dark rock hovers above the bearer's outstretched palm, leading them along hidden paths towards that which they desire. Its use requires exceptional discipline or stillness of the mind, for what one thinks one desires is ever elusive – often perilously so.

Effect: Remove this unit from the battlefield and set it up again wholly within friendly territory and more than 9" from all enemy units.

SPELL

Kytheske stepped quietly through the vault gates. They had opened willingly for the Shardspeaker, held wide by their guardians moments before their hearts had burst in ecstatic rapture. They had thought to conceal this place, the Hyshians, but there was nothing beyond her reach, no atrocity she would not commit in service of her goals.

Within was the artefact she sought. An old reflecting plate from a time of aelven woe. Her divinations of the mists had shown it to be a vessel of depraved power, and she desired it fervently. Its capacity to cause pain and trauma to her hated foes made it a worthy pursuit.

At first there was darkness inside the vault that, for a moment, for a moment, Kytheske's keen eyes failed to penetrate.

'What you seek is not what you shall find here...' uttered a solemn, resonant voice.

Kytheske's expression twisted with cruel glee as a flickering lash manifested in her hand. A figure stepped barefoot out of the shadows, a gossamer veil shrouding her face and a silver chalice held in her outstretched hands. Darkness writhed in that shining vessel, and it seemed to reach for the Shardspeaker. It gave her the briefest pause before her preening arrogance reasserted itself.

'I shall acquaint you with pain, aelf,' she hissed, a lascivious smile curling her lip.

Yet as she raised the lash to strike, Kytheske was filled with a sudden and profound ennui. Her efforts at ascendancy, her many schemes and desires: all felt worthless and destined to remain unfulfilled. Nothing mattered. Even this, here and now, was another pointless ploy.

Her spell evaporated to perfumed aether. The artefact forgotten, Kytheske sank to her knees. Her staff fell from slackened fingers.

Her body reached heavy as a chain mantle. It coalesced into an abject void, a hollowing blackness of the

The earth shook from the pounding of hooves, and the air quivered with a ululating chorus.

'Stand ready,' called Ullrillien as he calmly regarded the horde bearing down on his Wardens. The aelven ranks raised their shieldwall, the Lord Regent standing amongst them.

Faces painted with darkling sigils, carven oathstones strung to their belts and furred skins draped over muscular bodies, the barbarians had cut a swathe through southern Xintil. Many colonists had been slain as well as a handful of aelves caught unawares.

That ended now.

Their war cries grew louder; the ground thundered heavier. Ullrillien could see the madness in their eyes, the desire to pillage and slaughter.

Brandished swords and axes flashed as they charged across the plain.

Ullrillien gave the signal.

A flight of arrows arced down from either flank as the Sentinels came forward from their hidden positions in the long grass. Many barbarians fell from their saddles, pierced by feathered shafts. Undaunted, the horsemen pressed on.

A second volley of arrows took flight, seconds before the barbarians struck. At the same exact moment, the Wardens levelled their pikes. Horses and fur-clad bodies hit the shieldwall or were impaled on outthrust sunmetal. Their bellows of agony and fear were a sharp counterpoint to their earlier bellicosity.

Ullrillien saw the barbarian chieftain bull his way through the Lumineth defence, cutting down an aelf with his axe. His longsword already slick with the foe's blood, Ullrillien called out to the chieftain.

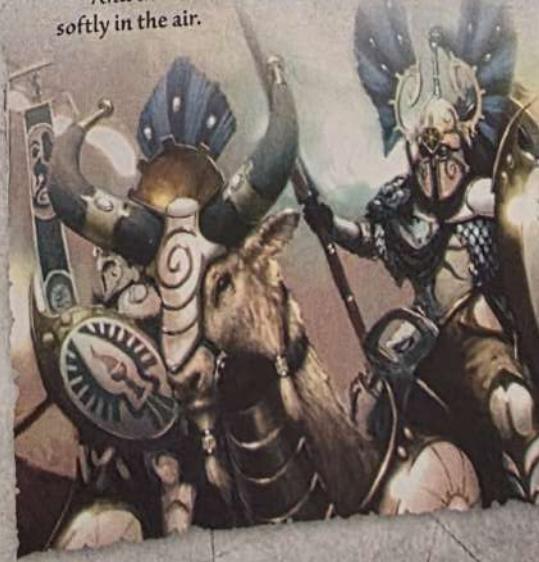

'Here, cur! Face me!'

Eagerly amidst the melee, the chieftain drove at the Lord Regent. Roaring to his callous gods, he hacked at Ullrillien but the aelf stepped aside and carved a bloody furrow in mount and rider both as he swung his longsword two-handed. The chieftain and his horse collapsed in a sundered heap.

The horde's resolve broke soon after and they were struck down by pikes and arrows.

As the battle clamour faded, Ullrillien cleaned and sheathed his sword.

And the earth fell still and the breeze whispered softly in the air.

Once Per Turn (Army), Your Movement Phase

ENTREAT SPIRIT: Even should an aelementor's war-form be vanquished, the spirit itself is not so easily undone. Amidst its natural environment, the combined power of multiple runes of the land can call it back to battle, seeing it return to inhabit the sacred armour that was forged for it.

Declare: You can use this ability if you have 3 or more runes in your library. Pick a friendly non-UNIQUE MONSTER unit that has been destroyed to be the target.

Effect: Remove any 3 runes from your library. Then, set up a replacement unit identical to the target wholly within 6" of a terrain feature and more than 9" from all enemy units. Allocate 6 damage points to the replacement unit (ward rolls cannot be made for those damage points).

Once Per Battle Round (Army), Start of Battle Round

DEPICT RUNE: Channelling the power of their temple's runes, the aelementiri bring their extraordinary powers to bear against the foe.

Declare: You must use this ability.

Effect: Remove all runes from your battle scripture. Then, pick any number of runes to remove from your library and depict them on your battle scripture. Runes removed from your library in this way are removed for the rest of the battle.

Designer's Note: Runes are used to activate powerful abilities on your units' warscrolls.

Once Per Turn (Army), Any Combat Phase

THE REALMS FIGHT BACK: The spirits of the land itself awaken to aid the Lumineth in their struggle against the powers of ruin.

Declare: Pick a terrain feature. Then, pick an enemy unit within 6" of that terrain feature to be the target.

Effect: Roll a D3 and apply the corresponding effect for the rest of the turn.

- 1 **Eruption of Earth:** Inflict 3 mortal damage on the target.
- 2 **Howling Winds:** Subtract 5 from the target's control score.
- 3 **Flash Flood:** The target has STRIKE-LAST.

AELEMENTOR FOCUS: Whether a shard of igneous rock rendered glittering by the weight of a soaring peak, a simple whistle that plays notes pleasing to mischievous air spirits, or a perfectly smooth pebble crafted by the millennia-long caress of a crystal rapid, this object acts as a more direct channel of communion with the spirits of the land.

Declare: Pick a terrain feature to be the target.

Effect: Measure the range and visibility of the next SPELL ability used by this unit from the target instead of from this unit.

ARMY OF RENOWN VANARI PARAGONS

In the Tyrionic nations of Hysh, decisive action, martial skill and bravery are valued above all. It is common for their Vanari to seek to emulate the Lord Phoenix by undertaking vows or labours inspired by his own quests in the prehistory of the realms. In so doing, they honour the Decree Tyrionic, to which they owe their existence.

When you pick the Lumineth Realm-lords faction for your army, you can choose for it to be a Vanari Paragons Army of Renown. If you do so, use the faction rules on these pages instead of the Lumineth Realm-lords faction rules. Every unit in your army must be drawn from the units listed in the roster options box opposite. All units in your army gain the **VANARI PARAGONS** keyword.

ROSTER OPTIONS

- ◆ Any non-**UNIQUE VANARI** units
- ◆ The Light of Eltharion
- ◆ You cannot include Regiments of Renown

Effect: Give the target 1 artefact of power from the 'Vanari Paragons' Army of Renown rules.

Declare: Pick a visible enemy HERO in combat with this unit to be the target.

Effect: Roll a dice. On a 4+:

- If the target has an artefact of power, it no longer has that artefact of power.

NULSTONE BEADS: These beads, each graven with the rune Danoi, are cold to the touch, and the owner risks drifting into a deep slumber should they wear them for too long. However, they possess powerful anti-magic properties and can cause enemy spells to wither and dissipate when brandished with purpose.

Effect: This unit can use the 'Unbind' ability as if it had **WIZARD (1)**.

REGIMENT OF RENOWN SIGIL CONVOCATION

Some Scinari Calligraves embark on the path of the wanderer, not content to restrict their efforts at healing the lands to Hysh. These aelves have mastered the art of magical coalescence, giving a degree of permanence to their spells, which they utilise to aid the allies of the Lumineth in other realms. The assemblages of magic summoned and shepherded by these roaming mage-scribes are known as Sigil Convocations.

REGIMENT OF RENOWN DAWNRIDER LANCE

When the need is great, a Vanari Lord Regent may lead a squadron of Dawnriders to aid the efforts of the Lumineth's allies. Since the Reinvention, the aelves of Hysh have come to understand that no matter their people's great power, the realms would have been entirely consumed by Chaos if not for the efforts of other civilisations. Therefore, when the hour is dire, they will ride out to tip the scales in Order's favour.
